

REMARKS

This communication is in response to the first Office Action dated May 3, 2005 in the above identified application. In that Office Action, the Examiner rejected Claims 1-4 and 8-18 as being vague and indefinite by not having antecedent basis for the term "said write bitline". The Examiner also objected to the use of the verb "can" in Claims 1-4 and 8-18. The Examiner also rejected the claims under the nonstatutory double patenting doctrine.

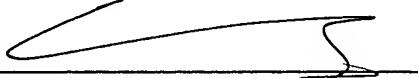

In response, a Terminal Disclaimer is enclosed. Further, the Claims have been amended to address the Examiner's concerns. In view of the above amendment, applicant believes the pending application is in condition for allowance.

The required fee is enclosed. However, if any additional fee is due, please charge our Deposit Account No. 50-0665, under Order No. 384848013US1 from which the undersigned is authorized to draw.
